Registration Form for Membership

Thank you for your interest in becoming a member of Fencing Club La Prime. By submitting this form, you agree to processing your information according to the privacy policy of the club. The most recent version of that is published on the website. Fencing Club La Prime has guidelines for photographic material and other visual media. These guidelines are also published on the website. If you need help with interpretation of the Dutch guidelines, please ask the board.

Fencing Materials

Clean indoor sporting shoes are required for all trainings. The rest of the required materials can be borrowed from the fencing club. The fencing club takes care of maintenance and repairs. Older youth (15+) and adults must wear fencing breeches (pants) during training. The younger fencers may train in (sturdy) training outfit with long trouser legs.

When you consider taking part in competitions and tournaments, buying personal equipment is expected. The fencing club only keeps a limited amount of tournament ready materials for incidental use. Information about what tournament ready materials are required is available from the board (info@laprime.nl) or during training hours on location with the trainer. We are happy to assist you in making the right choices. New and second hand material is available through the fencing club.
